

Tonight, tonight the world is wild and bright. Going mad, shooting sparks into space!

*West Side Story* exploded onto Broadway in 1957 in a sensational storm of exuberant dance and wistful romance. It was a phenomenon that never faded, “an incandescent piece of work” (*The New York Times*).

In 2024, this musical masterpiece returns to Handa Opera on Sydney Harbour in an electrifying, larger-than-life staging. Experience the greatest score ever written for musical theatre, dynamic dance numbers that soar through the open air, and a love story for the ages.
