Labelled as the 'premier primary industry field day' this event is the nation's biggest showcase of agri-products and for many companies, it is a rare chance to talk with and get a direct response from the people who use the products and services on sale. Ag-Quip is displayed on a 60-acre site featuring over 500 exhibitors, representing over 3000 companies. It is one place people can come and access information relevant to rural Australia.
